Volume 54 No. 2

Worship & Music: We are trying to keep some continuity with respect to pulpit supply. Steve Mullin will fill the pulpit for most of October and November with Don Neely filling the pulpit during the Advent season. The following dates are in need of a Worship Leader: September 6, October 11, December 13 and December 20. Please consider lending a hand on one of these dates. It is simple, rewarding and appreciated when you serve as worship leader. Please see Judy Green if you are interested. September 13th will be the kick-off to a new year. Traditional Communion will be served. The children's Sunday School class had a gathering last month with a discussion on a new curriculum. Also, some adult classes have been discussed. Please see Darlene if you have any CE questions, or if you would like to volunteer in any way.

Calling All Singers and Ringers!

Chancel Choir and Canticle Hand Bell Ringers are looking for people who love music. You certainly don't need any experience! It is great fun spending time with friends in your church family, singing and ringing to the glory of God. According to a study done in Great Britain, people who sing in a choir are the most joyful. Please see list below for top 5 reasons to join the church choir.

We are beginning the new church year on September 13th with breakfast in the small dining room. You don't have to bring anything, but we need a reservation by Thursday, September 10th.

Choir practice, led by Justin Appel, will be on Sunday morning at 9:00 a.m. Handbell practices will be announced at a later time. Please consider adding to our numbers. You won't be disappointed! Hope to see you then!

Here they are:

1. If you don't have any clean clothes, a choir robe hides everything.
2. Choir members get the most comfortable seats in the sanctuary.
3. If you forget your money envelope, the collection plate is never passed in the choir loft. You can bring it next week.
4. Want to see who comes in late or sits in the last pew? Choir members can see everything!
5. If you happen to nod off during the sermon, the pastor will never know.

The Prayer Chain

We have No Dues, No Meetings....

the only requirement is for you to pray for others. We are a faithful group of folk who pray daily for those in need from our congregation or friends of our congregation. If you would like to help with prayers, and would like to be included in our Prayer Chain please contact Pam Camren, Lynett Heritz, or Darlene Seufert.

We will send prayer needs to you through your email address.

PNC Update....

We continue our search. We thought that we were close, but God apparently has other plans for us! Continue to keep this committee in your prayers. It has been a difficult and sometimes stressful process, but we continue to have faith that the right person is there for us! We are a faithful and determined group.

Come to the Water and nourish your soul

About the Bible Study: On March 21, 2011 the Bible Study Committee selected the theme “Bible stories of water” for the topic of this year’s study. Specifically, they requested that the study focus on using scripture text to tell the story of faith through water stories from Genesis to Revelation. They suggested that it include physical and spiritual thirst/dehydration, baptism, the life-giving power of water, the symbolism of water, modern realities related to water, the connection between water and spirit, the parting of the Red Sea, and the wedding at Cana. Water plays a central role in the stories of scripture from the chaotic waters creation to the River of Life in Revelation, where chaos is no more. Sometimes there is too much water (think Noah); sometimes there is too little water (think drought in the desert) In this study, we will explore delivery of God’s people through the parting of the Red Sea and the crossing of the Jordan River, judgement of a people weak in faith, and the adoption of the people of God through baptism. The rich imagery of water throughout the Bible stands and articulates our faith, just as water nourishes our bodies, so the scriptures on water nourish our souls.

All Presbyterian Ladies, Please come to the Kick-off dinner, September 16th. Our meals are always a wonderful mixture of goodies, no one notices seconds or even thirds, recipes are shared and much laughter and conversation happens. We hope to see you there. 6 p.m. Fellowship Hall

NEWS FROM THE MAC Road construction in front of Albright United Methodist Church has affected getting to church activities and made visiting the Food Pantry a challenge. Signs are posted at the doors and the volunteers are at the pantry continuing to work with clients.

From Carol Minx, Pantry director:

There are new rules regarding address identification from clients. This is not always a quick change but a much needed update.

Here are some statistics regarding food and cash donations: June - \$7,434, cash - 3484 pounds of food; July - \$2,642, cash - 3219 pounds of food

Everyone needs Insurance these days, our premiums are \$1,300 (Pantry liability and Pantry truck) .

We have a new freezer donated through the efforts of John Keb and Rob Barker, Lion's Club

Yahoo! Over \$1000 raised by the Black Hawk Cycle Club event and a big THANK YOU, over 300 pounds of food from People Gotta Eat event at Notre Dame.

Of course, major repairs (\$550.52 for parts) were needed on the Pantry truck. Labor was donated.

MAC churches responded well to the WNDU Pack-a-Backpack event. MAC church members helped pack the items which were distributed across the area.

[Editor's Note: The school supplies donated by our church members were delivered to Battell School.]

The American Cancer Society will sponsor an event at Howard Park in October. The Pantry Truck will be there to accept donations.

SUGGESTIONS FOR DONATIONS TO THE FOOD CART IN THE CE LOBBY: Peanut butter; jelly; pancake mix and syrup; cereal, crackers & soup; Hamburger/Tuna Helper; canned veggies (any kind); lunch box size fruit, gummies; applesauce cups; toilet paper; shampoo; women's hygiene products. (You know, all the stuff you put into your cart.)

Deacons: The Deacons Christmas Shopping Program is earning money with 2 fundraisers. **Postage Stamps** are available for purchase. A generous church member has given the Deacons several sheets of stamps to sell to add to the coffers of the Deacons Christmas shopping outing. They come in all styles and shapes. Remember the holidays are just around the corner! Several people have been supporting the stamp program and we thank you for that. 100% of proceeds support our fund and what a fun way to dress up your boring envelopes! Starting in September in the CE Office by the mailboxes will be a box with pre-packaged stamps in groups of 10 (\$4.90) or 20 (\$9.80). You can pick up what you need when you need them. And don't forget to visit Hacienda September 21st.

Presbyterian Weekday Nursery School

We begin Monday, September 14th with classes taking place 8:45 to 11:15 weekdays. This year we are a small group which means more time one on one with each student. As in years past we ask the church members to keep the east parking lot open in the morning for delivery & pick-up and a big THANKS for all the soup labels. We will follow the Mishawaka Schools' schedule for days off and vacations. Thank you, Jayne Wurz

Missions: did you just pop a top on a drink? Save that tab!!! And bring it to the church to fill our tub for Ronald McDonald House. The tub can be found in the foyer and is growing in volume. Join the fun and bring in those tabs.

All Saint's Day—November 1st
Please send Judy Green any names of saints to be remember. Thank you

Friends,

As you know, the US Supreme Court has ruled that same-gender marriage is now legal in all 50 states. This is a ruling for states and not for congregations. Therefore, our local congregations will each have to make their own decision about whether they will welcome same gender marriage ceremonies in their buildings. This is not a decision of the presbytery, but a decision to be made by your session.

I am including a link here to a Q & A sent out by our denomination's stated clerk, Gradye Parsons. This may give you some clarity or guidance as you make this decision. Some churches will respond reactively and wait to see if they have any requests for such marriages. Others will be proactive and make a policy in advance of potential requests. No matter how you respond, this may bring up debate and conflict within your session. This issue is not purely intellectual but is emotionally charged for many people. Please know that your congregational consultant and our Shalom team members are ready to help you work through this sensitive issue. I pray that your discussions and processes will be sensitive and respectful in tone. Jesus calls us to love all and to judge no one so those mandates guide us through times like these. Please let me know if I can assist you as you move forward.

Peace and Blessings, Penny Hill Executive Presbyter

I would like to thank the Primmer family for the donation of a lawn mower earlier this summer that was used to keep the grass groomed. This just didn't happen without help from Dick Dentino and the Green Family. Also we need to thank Dick for his gracious gift of a new self-propelled lawn mower to help on the hill.
